We are hereby appealing the decision from the Schools and Libraries Division ("SLD") to our appeal of SLD's year 2002 Funding Commitment Decision for the Application Number 315131.

SLD states in their letter "whether an individual school, school district, or consortia of schools or school districts are eligible for discounts depends on whether the entity is a nonprofit institutional day or residential school that provides elementary or secondary education through grade 12 as determined under state law." Yeshiva Beth Jacob falls in to this category and therefore should be eligible. Yeshiva Beth Jacob is an approved non-profit, non public school, with classes from Kindergarten through 8th grade, providing an elementary education to its students as determined by state law. Yeshiva Beth Jacob is recognized as a school by the N.Y.S. Education Department. Our lunch program is registered and funded by the N.Y.S. Education Department, Child Nutrition Program (LEA Code: 342500100018). Since we relocated to Queens, we have been assigned new "BEDS" numbers by the N.Y. S. Education Department (BEDS # 3425-0022-8232) our old BEDS numbers in Flatbush were 3321-0022-8232.

SLD also states in their letter that "according to the N.Y.S Education Department Yeshiva Beth Jacob is not registered as a school." I realize that I should have enclosed the letter from the N.Y.S. Education Department when first appealing SLD's decision.

Thank you for your time in this matter. We will wait for your response.

Sincerely,

Rabbi Zalman Deutscher
